

# MILK CRATE THEATRE

## YOUR SELF IN THE SCENE!

Acting has been described as “the challenge of being ourselves in imagined circumstances”.

These workshops will develop focus, imagination and a sense of discovery and play to help participants deliver compelling uniquely individual performances.

Drawing on a diverse range of established methods and styles the workshops aim to develop a sense of ensemble and will culminate in an end of year presentation.

Tuesdays 1:30pm - 3:30pm  
3 September - 15 October  
29 October - 10 December

Ozanam Learning Centre, Level 3 99 Forbes St, Woolloomooloo NSW 2011
